Work Experience

December - February 2019   **Rayon Lighting Group Inc, Sector Manufacture**
Los Angeles, California, USA   <u>**Job occupied Assembly Lamps**</u>

Missions or tasks realized: I learned to be efficient using my hands on a continuous journey.

February - June 2019   **Advanced Painting Contractors**
Hawthorne, California, USA   <u>**Job occupied Painter**</u>

Missions or tasks realized: I learned to be efficient, tidy and clean at the same time to achieve the best result. Following the process step by step always gives a good result.

Activities and Interest

I practice sports like playing soccer, basketball, running and surfing. I am training in Android application development. My passions are playing the guitar and bongo, singing, speaking English, reading English, cooking, helping those who need my help and being in solidarity with my family.
